

Resource	Cost	Description
SQA – My Study Plan <i>Available on app stores</i>	Free	Study Planning app from the SQA.
My Study Life https://www.mystudylife.com/ <i>Also available on app stores</i>	Free	All-in-one student organiser which can sync across devices and is available offline.
Get Revising Study Planner https://getrevising.co.uk/planner	Free	Simple to use, visual PDF Study Planner.
Exam Countdown https://apps.apple.com/gb/app/exam-countdown/id873279955	Free	Helps organising upcoming exam dates, and provides a helpful countdown to these dates.
BBC Bitesize https://www.bbc.co.uk/bitesize/articles/zqd682p <i>Also available on app stores</i>	Free	Catalogue of learning and revision materials for a range of National Qualification levels and subjects.
Quizlet https://quizlet.com/en-gb <i>Also available on app stores</i>	Free	Allows students to create their own study resources from materials from other Quizlet users. Can be shared online amongst friends.
Flashcards+ <i>Available on app stores</i>	Free	Students can create and update interactive flashcards.
Popplet lite <i>Available on app stores</i>	Free	Simple mindmapping app. The free (lite) version only allows users to make one mindmap – so finish one, screenshot it, then restart on the next one!
Google Keep https://www.google.com/keep/ <i>Also available on app stores</i>	Free	Note taking app that will improve organisation: from reminders to checklists. The image to text feature is very useful – students can grab text from a photo of their written notes.
Pocket https://getpocket.com/ <i>Also available on app stores</i>	Free	Save and organise articles, videos and other web content for future use.
